Dear Sir/Madam,

1. The proposed business rescue plan was adopted by creditors on 29 June 2021.
2. The BRP's have since that date proceeded to implement the business rescue plan.
  - 2.1. Refer to the November Status Report for a detailed list of activities to date.
  - 2.2. During the month of December an application has been made to the courts to have the estate of the sole shareholder placed under sequestration. Fontainebleau Wine Emporium is the first applicant in the application.
  - 2.3. The shareholder is a major debtor of the Company and this action has been taken in an attempt to recover that debt for the benefit of Creditors. Should you require a copy of these proceedings please email [iainstockill@rsadvisors](mailto:iainstockill@rsadvisors) for a copy.
3. Creditor Claims and Distributions to Creditors
  - 3.1. Creditors are required to submit claims in respect of all amounts due to them. Once received the claims will be reconciled to the companies records and thereafter adjudicated by the business rescue practitioner.
  - 3.2. Creditors whose claims have been reconciled, adjudicated and accepted have received formal notice of acceptance of their claim.
  - 3.3. To date circa two thirds of creditors have submitted the required formal claim as detailed in the Business Rescue Plan of which 90% have been accepted.
